May 29" 1910.

Reported to my friend White at  
 11:00 A.M. in connection with the  
 investigation to which I was assigned  
 on the 28th, in connection with the  
 investigation of the murder of the woman  
 who was killed in the street. Reported at  
 1:00 P.M. of the 29th for the north side  
 of the city, with Meyer in the car. Went to  
 the lodging house and in the above  
 named address and obtained some  
 information regarding the case, to  
 which I was assigned. He committed on  
 him. Reported at 1:00 P.M. and  
 home street at 1:00 P.M.

May 30" 1910.

Reported for duty at 11:00 A.M.  
 went to the Dickinson store on  
 the 29th. Entered on 104 South St.  
 and it was reported that sometime  
 between 11:00 P.M. May 29" and 7:00  
 this morning a woman for some  
 reason was not at home and  
 in the house a small apartment with  
 her wash basin but there was  
 nothing there.

With Lieutenant Heller and Fisher at  
 2:30 P.M. went to the Broderick  
 apartment house in search of Walter  
 Crawford, who was in the Police  
 with no record. Left the Lieutenant  
 near apartment house and returned  
 to the Det. B. at 8:00 P.M.

At 11:00 P.M. went to the home  
 of Mrs. Anthony Bishop of 183 Washington  
 St. in order to examine a woman  
 named Foster on 676 North St. St.  
 Mrs. Bishop stated that she heard  
 some footsteps on the roof of the  
 Braughton bedroom, the summer

Continued. May 30, 1915.  
 stated he saw a cigarette light out  
 of his window and he noticed the  
 flame. He saw a cigarette light out  
 the next morning and he saw the  
 cigarette and it was in a room  
 over the work that caused the  
 fire. He said it was a cigarette  
 about 1:30 P.M. and he went to bed  
 and he saw a cigarette light out  
 and he saw a cigarette light out  
 of the window. He said they heard  
 some noise at their hall door  
 and he went down. He went down  
 company with me.

June 1st 1915  
 He stated he saw a cigarette light out  
 at 9:00 P.M. and he saw a cigarette light out  
 the next morning. He said they heard  
 some noise at their hall door  
 and he went down. He went down

Regarding the 7.00 and paper to the  
 deceased. At 7:30 P.M. of June 1st  
 with Walter Brown and 700. He said he  
 obtained a newspaper from him for  
 something. He said he saw a cigarette light out  
 Harold Kruber, during November 1914.  
 He said he saw a cigarette light out  
 at 11:40 P.M. at the  
 Third Precinct. He admitted that  
 Harold Kruber, acted in an improper  
 manner to him.

seduction under the promise of marriage  
and the Frank Kirt is attempted  
murder.

Reported at 7:00 P.M. at  
New York in company with Lieut.  
Kearney, Quinn, went in Chaps. with  
the Third Regiment and took the  
Brooklyn Hotel to 119 Swan St.  
and she claimed she and Esther  
Fitzsimmons had been taken by two  
strange men. These two girls stated  
they slept in one bed with two men  
the night of June 8th. The occupant  
of this place is a young man  
named Lundy, he said he heard  
in way of the hall the two young  
women while he was in bed for  
a few days. He promised to aid me in  
finding these two men.

coming out with the matches. At 11:00

the witness, stated that at 11:00  
11:30 P.M. he was in conversation with  
a young man and not exactly a resident  
in the 1st St. & 2nd St. Fire Insurance store,  
and that he noticed this young man  
in the store on Broad Ave. in front of  
the A. & P. store, and that this man  
came and moved into the store, then  
came back and was in the store  
again.

The witness then said that he went  
on some errand and when he returned  
the two young men were gone, and  
examined the store and found that  
the two had been moved into the  
store, and the door open and  
all the matches that he had on  
hand were gone.

He informed me that one of the  
young men was named Edward F. Farness,  
in the pay office of the Cleveland,  
Strong, & Co. and that he was  
in the home of Edward Farness,  
age 18 and 1/2, and that he was  
in the store, he admitted being  
in the store with a young man  
named Edward F. Farness, and told  
several contradictory stories.

Farness, is on probation for

The first day was a fine one.  
The wind was light, with a few  
clouds in the air. The sun shined  
all day. The water was very  
calm.

This is a partnership case:  
 even being a land business and was settled  
 in the Tax Court on "Taxpayers' Petition".  
 The business was a success.  
 The witness claims that he, himself,  
 and another partner told her to  
 take the first birth and the "Taxpayers"  
 and come to him and pay for it  
 later.

The same said that they were in the Law Office last Saturday discussing the case and because he unwillingly consent to pay them a certain price they threatened to have him arrested.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system has a solution for arbitrary values of the parameters  $\alpha$  and  $\beta$  if and only if the condition  $\alpha + \beta = 1$  is satisfied.

Monday Jan 17. 1916.

Reported to Captain Gorman, at 9:00 A.M. in re Garret's case. In 1918 Road St. called and received from me \$0.00 and which she receipted for and also \$0.00 which she receipted for which belonged to Jess Savacool, her boarder. This money was obtained from these people by Lawrence T. Adams and Clarence Cooke on worthless checks.

Then in company with Lieut Daly went to the Court House on the Rich Manslaughter case. This case was postponed until Wednesday A.M. With Daly.

Left the Court House and investigated the following cases: The theft of two Razor-hone, description one 7 x 2 and the other 5 x 2 1/2 inches. Value \$1.00 from the Barber shop of Thomas McLeod, 2nd floor, 87 Perry St. These hones were missed on Jan. 2. Complainant says that the last time a week before. How the place was entered is unknown. It appears that the person who stole these hones had easy access to the place and no doubt only wanted of the hone because articles of value were nearly sure not molested.

I found a P. White Duck at  
 the bottom of the lake. The water against  
 the shore was very shallow. I saw  
 the duck, and was surprised to find  
 it was so small. It was  
 about the size of a P. White Duck

*Handwritten:* The letter was written on the 10th of June.

At 2:10 p.m. Feb 19, First Precinct  
in the Patrol brought Alfred Biedlicher  
alias Alfred Conigraue, age 26 - occupies  
apartment, Box 89 Union Ave Dr. N. 2.  
to the Bureau in charge of Thomas Feilly  
Jail keeper Box 44 Lehigh Ave and Constable  
attendant from Bryn Mawr Box 13 Oxford St.  
These two men stated that they met  
Biedlicher in Murray Salmon on Market St  
and after a short conversation with him  
he Biedlicher ran away from them but was  
captured near Fenway Theatre

Zeilly stated he was positive that  
Doelicher was wanted on a commission  
made by Stephan Meyer, of 625 Ferry St.

(present address 99 Fleming Ave). Friedman - owned  
the accusers. - "We took him to 1020  
Ferry St - To the Coleman on Maryland St and to  
his sister's house at 1115 Carey St - 3 Maryland St.  
At the latter place he was embraced and kissed by  
his sister and he admitted that he was the person  
wanted in connection with the Meyer case. We  
returned to the Bureau after visiting complainant's  
home at 99 Fleming Ave where he was identified  
by Mary Meyer as the man who had ravished her.  
Reilly and Byrne accompanied me during  
these various visits. We returned at 9:00 p.m.

At 3:00 p.m. with Reilly and  
one - I then went to Jersey City Police  
Headquarters and brought back in the Ford  
Auto that Louis Furlong stole the  
following persons.

Louis Furlong, age 20 - Mechanic helper

His Jacob Raphael and Mr Peter M. Mahoney  
left their 910 Ford Auto License 91,662  
in front of the Meade on Broad St  
at about 7:45 P.M. last night and  
when they came out at about 11:00 P.M.  
the auto was stolen.

The auto was recovered in Jersey City  
at the Ferry by the Jersey City Police  
The Value of the Car is \$560.00.

Furlong stated that he alone stole  
the auto and met the Gold on Plane St  
and invited him for a ride and then  
went to Burkhardt's drug store, and  
took Burkhardt and Langara with him. He  
stated that they did not know he stole  
the car. He told them that it belonged  
to his brother-in-law. He was corroborated  
and in his third visit. Complainant resides  
at 6 Mill Pond - Livingston.

There are two things I can see, one is  
that it is a very good thing to have  
the book.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system of equations (1) has a solution for arbitrary values of the parameters  $\alpha$  and  $\beta$  if and only if the condition  $\alpha + \beta = 1$  is satisfied.

in the rear is a small house of  
 the kind known as a "cabin" or  
 "cottage" and is used for the purpose  
 of a small house. The house is  
 situated on the left side of the  
 road. There is no question  
 as to what these houses are and are used for.

The house to the left of the road is a  
 small house, and the house to the right  
 is a small house, and the house to the left  
 is a small house.

The house to the left of the road is a

 Lieut. Davis, for the reserve duty,  
 Lieutenant Davis, and the other.

In company with Finnan, I went  
 to the 10th Street and the other  
 houses, and requested the  
 owner, to leave the case to Captain  
 Hassen, which he did at the time.

At 1:00 P.M. I went to the 10th  
 Street and the other houses, and  
 the owner, to leave the case to  
 Captain Hassen, which he did at the  
 time. I then went to the 10th  
 Street and the other houses, and  
 the owner, to leave the case to  
 Captain Hassen, which he did at the  
 time.

I then went to the 10th Street and  
 the other houses, and the owner,  
 to leave the case to Captain Hassen,  
 which he did at the time. I then  
 went to the 10th Street and the  
 other houses, and the owner, to  
 leave the case to Captain Hassen,  
 which he did at the time.

The first of the two is "Generalization" and the second is "Particularization". The first is the process of drawing a general conclusion from a number of particular instances. The second is the process of drawing a particular conclusion from a general principle.

The other two are also very good, and will be 7.00 @ 7.11.

At 4:00 a.m., reported to Captain  
G. W. C. In company with Foreman Decker,  
went to the 44th St. and investigated the  
explosion there. The explosion took place at  
1411 1/2 St. and was caused by a gas leak  
from the gas meter in the entrance to the  
building. The explosion occurred on the 1914  
in the yard. The Machine was on fire  
and the gas meter was broken. The fire  
was caused by the gas meter. The fire  
ran away. Later Bailey discovered that  
the gas meter was broken and the gas  
leak was removed. The fire was caused  
by the gas meter. The fire ran away.

1. The first part of the paper is devoted to a general  
 discussion of the problem. It is shown that the  
 problem is of great importance and that it has  
 not been completely solved. The author then  
 proceeds to a detailed analysis of the problem.  
 He shows that the problem can be reduced to a  
 set of equations. These equations are then solved  
 by the method of characteristics. The author then  
 discusses the results of his calculations and shows  
 that they are in good agreement with the  
 experimental data.

The first of these is the fact that the  
 system is not a simple one. It is a  
 complex one, and it is one that is  
 not easily understood. It is a system  
 that is not easily understood, and it is

Wednesday Jan 24<sup>th</sup> 1917.  
Spent the day at the Fair. The weather was very fine and the fair was very successful. I saw many interesting things and had a very good time.

I was in the air during the night. The weather was very dark and stormy. The wind was very strong and the rain was very heavy. The temperature was very low. The clouds were very dark and the stars were very bright. The moon was very full and the sun was very bright. The sky was very blue and the water was very green. The land was very green and the trees were very tall. The people were very happy and the animals were very healthy. The weather was very good and the day was very nice.

At 7.00 P.M. reported to Captain Marshall. The weather was very dark and stormy. The wind was very strong and the rain was very heavy. The temperature was very low. The clouds were very dark and the stars were very bright. The moon was very full and the sun was very bright. The sky was very blue and the water was very green. 1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system has solutions for arbitrary values of the parameters  $\alpha$  and  $\beta$  if and only if the condition  $\alpha + \beta = 1$  is satisfied.

Truck up Charles Hilbert, Age 36  
on here to a Pa.

With him, was enclosed in the 12-ounce  
a step on as a one man on one in  
the 12-ounce truck and was used to  
cover the area of the summer  
with a solution to their body  
in the truck.

At about 12.30 P.M. near the  
21st 1918, while the Truck which was  
driven by Hilbert, was on Division Ave  
between Stoneville and Danforth.  
There was a small house and a small  
and at the point involved.  
The truck then  
passed the Truck. The truck  
was then reversed into the  
Truck. Age 40 Tel 8292, was on the  
Hilbert Pa. in a truck on the truck  
and walked down into a gutter on  
the side of the road, and the  
Truck then moved south of the  
and received him on a prebuck  
and was 2 1/2 and a more perhaps  
a red "Hilbert" in the meantime  
the truck over. Danforth took Hilbert  
from the truck, took him about 1-2  
feet from the truck and was  
and came at them shot him through  
the back from which he died immediately.  
The things then drove off with the  
truck which contained about \$40,000  
with a silk ribbon and then abandoned  
the truck and left in a field 7 1/2.

The man telephoned to the Danforth Police  
but on their arrival the subjects had
